FOREWORD

With publication of this yearbook another year at South Fulton becomes history. We might well call this a pictorial reservoir of memories.

In constructing this, South Fulton's second annual, the staff has striven to furnish a cross section of activities.

The Lion depicts in part, memorable moments of high school days 1959-1960. Some of the individuals who comprised all this are shown.

To fill within these pages everything of significance is impossible, nevertheless, nostalgic emotions recollected in tranquility will eventually prevail and you'll have something here.

After brief observations, both saucy and serious, the LION will in all probability be stored for future reference. This book should remain a cherished possession to every student at South Fulton High.

CLASS HISTORY

by: RICHARD D. MOSLEY

History is a written record of past events. We know that there is nothing so nostalgic as remembering the past. During the past years we have come to know each other as brothers and sisters, rather than classmates alone.

We have been challenged with some of life's toughest problems — financial difficulties, personal problems, obstacles, that at times seemed unsurmountable; but we accepted the supreme challenge and won.

The first year was one of greenness and innocence at this great adventure of high school entrance. We loved everyone and eagerly sought to be known and loved by everyone. Several made the honor roll and openly beamed at gaining a little fame and recognition so early in the game.

We became affiliated with varied organizations of our school such as the Students Library Association, the F.B.L.A., Chorus and other activities.

In our second year, excitement began. We had learned the rules, requirements, and social standards of the school.

We worked diligently and tried to make high grades for unit credits.

Then there were the sports, Baseball, Basketball and Football. Our present Senior Varsity men are: Harold Cleveland, Earnest Jackson, Roscoe Willis and Turner Burley. Some played the entire four years in high school, some two years, but they all played well in spite of frequently tough opponents. Evelyn Miles and Irene Dorsey upheld the girls status in the basketball world.

Lugenia Beasley retained a high degree of scholasticism throughout these four years. We salute her. Lugenia Beasley and Richard Mosley won first and third prizes respectively in an Essay contest entitled "What I Plan to Do to Help My Community". Richard D. Mosley also won a $25 bond for Excellence in Library Service. Many students have left South Fulton and entered into other areas of endeavors.

We who are about to embark on the sea of life realize that a Power greater than we, will aid our finding a harbor wherein we might serve.

We shall surely never forget our port of embarkation — South Fulton.

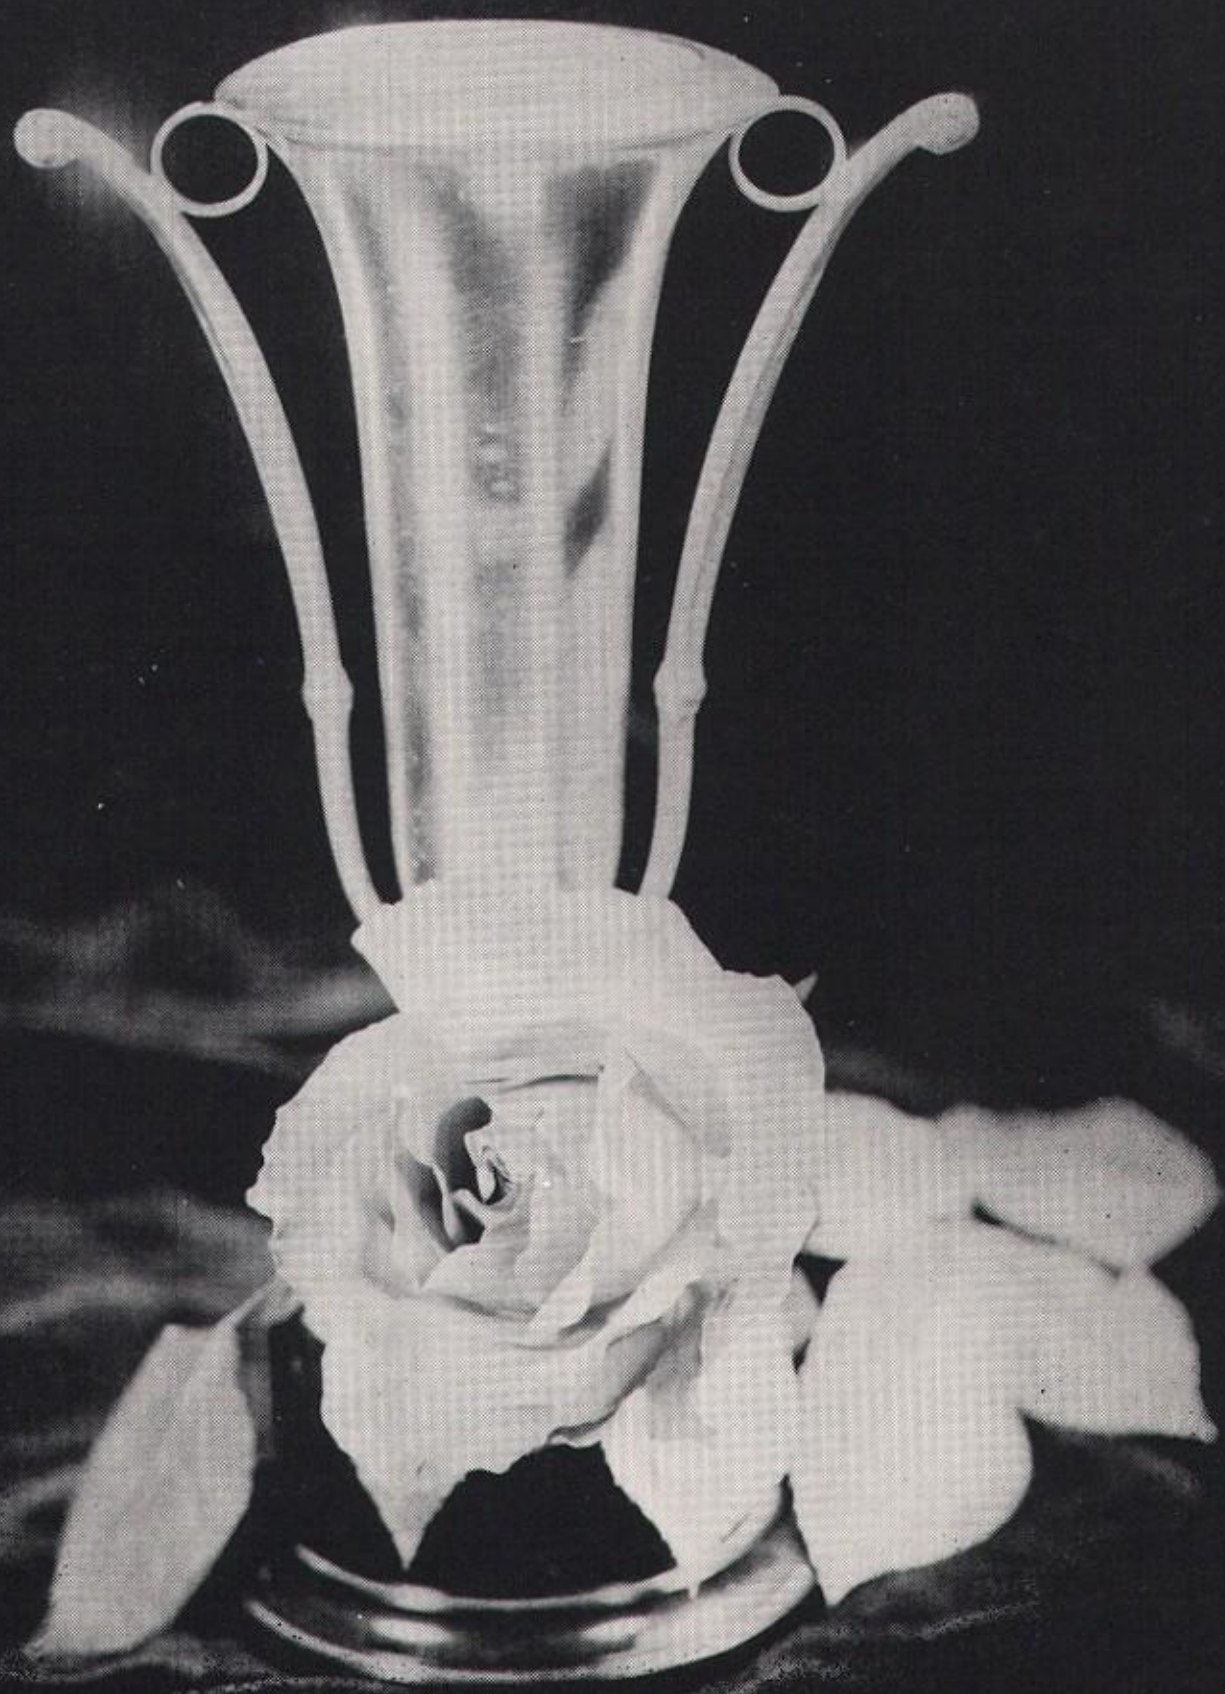
TROPHY CASE

This is part of our reward for teamwork.

Superlatives



Most Likely To Succeed

JAMES PRICE and FRANCES BROWN

James and Frances seem to possess that secret ingredient, an endeavor for achievement, which is needed to prepare them for their future life. It is quite hard to discourage these two "martyrs" from a goal which they seek. With the combination of their secret ingredient and their stubborness to succeed, success should follow.

Best Dressed

HENRY WHITE and ANNIE RIDLEY

Hats off to these two. Henry's and Annie's attire for the year have proven a point. They have discovered and proven that clothes, alone, are not the essentials for being well dressed. Cleanliness, dressing appropriately, neatness, and being well groomed are daily exhibited by these two.

Most Popular

CHARLSEE HICKSON and ROSCOE WILLIS

Imagine that! Charlsee and Roscoe are the Most Popular of the Class of '60. Charlsee, with her pixie personality and good manners, has a smile for everyone. Roscoe, with his athletic ability and mischievous persuasive smile, simply captures the heart of everyone. If you have had the pleasure of knowing these two "Charmers", you will agree that they rate the title.

Most Athletic

HAROLD CLEVELAND and EVELYN MILES

The Athletic Department of S.F.H. is truly represented by Harold and Evelyn. Harold, an all-around athlete has become a popular hero around S.F.'s campus. He has won numerous letters, jackets, trophies, and other honorable awards through his athletic abilities. Evelyn, with her feminine gracefulness, has gained fame while on the varsity basketball team. It is quite easy to see why these active students have gained this title.

Most Talented

RONALD SIMS and EVELYN MILES

For pure and enriched entertainment, one would surely have to procure entertainment as done by Ronald and Evelyn. Ronald, along with his "talking" saxophone, can also act and sing. His humorous and easy-going manners can also be found in the characteristics of the average comedian. Evelyn, can leave an audience spellbound with her inspiring singing and dancing. It is a small wonder why these two "talents" have achieved this honor.

Most Intellectual

LOUGENIA BEASLEY and LARRY TAYLOR

Lougenia and Larry have achieved and maintained high scholastic averages at South Fulton High. Not only do they rate high scholastically, but also score in friendliness and leadership. With all this to their credit, it's easy to see why Lougenia and Larry have gained this title

CLASS SONG

LUGENIA BEASLEY

FAREWELL

PARTING FROM THEE IS THE BEGINNING
OF MANY MILESTONES ALONG THE WAY,
YOU'VE GIVEN US A CHANCE IN LIFE,
WE PART FROM THEE WITHOUT DISMAY.

OLD FRIENDS MUST SAY FAREWELL SOMETIMES
BUT MEMORIES REMAIN AS CLOSE AS EVER,
AND WE'LL CARRY THROUGHOUT THE YEARS
RECOLLECTIONS, OF OUR DEAR ALMA MATER.

WE'VE GAINED FROM YOU, OUR ALMA MATER
KNOWLEDGE, EXPERIENCE, AND PLEASURES TOO.
YOUR IDEALS ARE OURS FOREVER,
REFLECTING ALL THE JOYS WE KNEW.

SO DEAR SOUTH FULTON 'TIS THE TIME
FOR PARTING, YET WE'D HAVE TO KNOW
WHERE'ER WE BE, WE'LL PROVE YOUR WORTH.
FAREWELL TO TEACHERS AND SCHOOL MATES DEAR
OUR LOYALTY REMAINS, BUT WE MUST GO.

CLASS POEM

BEVERLY JACOBS

DEAR ALMA MATER, HOW GRAND IS YOUR NAME
WE'RE GRATEFUL AND HONORED TO HAVE SHARED YOUR FAME
WE LEAVE WITH THE KNOWLEDGE OF THINGS THAT ARE RIGHT
AND AS WE GO FORWARD, WE'LL FIGHT A GOOD FIGHT
TO HOLD UP YOUR NAME, AND PRINCIPLES YOU STRESSED;
LOYALTY, TEAMWORK, AND WORTHINESS.
YOU'VE TAUGHT US TO BE MASTERLY,
YOU'VE TAUGHT UDTO BE TRUE,
YOU'VE TAUGHT US TO BE DIGNIFIED
IN THINGS WE SAY AND DO.
AND AS WE LEAVE, WE WANT YOU TO KNOW
WE'LL ALWAYS THINK OF YOU WHEREVER WE MAY GO.
AND WHEN WE SUCCEED IN WHATEVER WE DO
OUR HATS WILL GO OFF – ALMA MATER – TO YOU.

CLASS PROPHECY

By: BEVERLY JACOBS

We are now looking at South Fulton High as it is in 1970. It has been remodeled and enlarged. Standing four stories high, it has 3,000 students. The office is larger, the cafeteria is twice as large as before, and the library - oh the library - what a beautiful sight! The school gymnatorium has also been enlarged and now seats 6,000. The music and band rooms have been soundproofed and there is a science lab on the very top floor. Of course, the students don't have to walk up all those flights of stairs. There are escalators to carry them from floor to floor.

As we look closer, we see that it is Homecoming at South Fulton. The faculty and student body are in assembly. Fulton's principal, *Henry White,* welcomes the alumni. Looking at the congregation I glimpsed the following: *Lugenia Beasley,* who is now Dean of Women at Spelman College, *Jeannette Martin,* head of the English Department there, and *Beverly Jacobs,* who teaches Frence at Morris Brown College. They were being interviewed by *Copey Davis,* who is top reporter for the Atlanta Journal and Constitution Newspapers, Inc. Doctors *Howard Pharr* and *Willie Domineck,* famed scientists who have just perfected a cure for Leukemia, talked enthusiastically with *Richard Mosley,* associate history professor at Howard University. Richard is accompanied by his wife, the former dignified *Barbara Hankerson,* and their lovely triplets - Kim, Kirk and Kevin. Also, at intermission, *Ronald Sims,* who is doing a great job with the renowned South Fulton Band, and the coach *Roscoe Willis,* talk to *James Price,* who is President of the Citizens Trust Company. Nearby is his confidential secretary, alert *Carolyn Abercrombie.* There's that world famous baritone, *Richard Montgomery,* who just completed singing at Carnegie Hall. *Thomas Hill* and *Lawrence Freeman,* who are in the far corner of the gymnatorium, own a chain of ultra-modern hotels and are making much progress. There's that famous comedy team. *Rudolph Cooper* and *Edward White,* who recently starred in a film with charming *Margaritte Harris,* a former Miss South Fulton. Margaritte is wearing an exquisitely made suit designed by *Charlsee Hickson,* who is owner and chief designer of "Charlsee Hickson Fashions Unlimited". *Harold Cleveland,* professional halfback with the Baltimore Colts, entered the gymnatorium a few seconds ago. With him is *Ernest Jackson,* manager of the Colts.

Although many are present, there are absent alumni. *Harold Paige,* who is now in Congress, has been selected an advisor on International affairs in Liberia. Professor *Turner Burley,* we learned is giving a Physical Education test at Washington High, and could not be present. Major General *Harry Gibbs,* who is stationed in Austria, and *Evelyn Miles,* who recently vacationed in Paris after making a film in Switzerland, are also among those that are absent.

When the assembly program resumes, *Joyce Wright,* an Elementary School teacher, in Boston, Massachusetts Public School System, brings greetings to the Class of 1960. Then as the congregation sings the school song, nostalgia for the good old days overwhelms us all:

"TELL ME WHY THE IVY TWINES,

TELL ME WHY THE STARS DO SHINE,

TELL ME WHY THE SKY'S SO BLUE,

TELL ME, SOUTH FULTON, WHY WE ALL

LOVE YOU."

Coaches E. Hunter and J. Abrams have been working very hard trying to get the team in condition to perform with the great prowess that our fans have witnessed this past season. Through the hot, humid weather, our coaches and team labored untiringly and commendably.

Prior to this season the coaches harbored faint doubt about the teams magnificence. Foremost in the teams mind, however, was becoming a championship team. It almost happened, but alas! Our winning streak broke and we finished the season with two defeats and six victories.

We would like to express our deepest appreciation to our coaches for doing a grand job in leading us to a very successful season.

BASEBALL

THE BASEBALL TEAM for the year of 1959 was most successful. They were the champions of Class AA competition. During the few years we have been in Class AA competition, we have maneuvered to first place 3 years in succession and have maneuvered to second place twice, which is an outstanding record for any team.

Coaches Hunter and Abrams have worked diligently to bring out the talent that these young men possessed.

We hope for years to come, that this outstanding record will be unmarred. This will be true if we all keep in mind, that "A team that can't be licked, won't be licked!"
